The reasons for the increase under shop tax expected by the Bagur Municipal Board have not been explained. The omission should be supplied. Pending information, the estimate will stand

£5 X Miscellaneous

The omission of the estimate under "Contribution" in the Budget of Chital-drug, which should have been explained, is probably due to no contribution expected from towns people for the improvement of a drinking water well in the town as in 1900-1901

It is observed that under Cont^n which is a casual item, no amount is entered.
